

Articulation Agreement

Between

NJ's 19 Community Colleges

And

**New Jersey Department of Corrections
Office of Training**

This articulation agreement specifies the requirements and conditions for qualified students to complete the Technical Studies Associate in Applied Science degree at NJ County Colleges.

Upon official presentation of completion of the New Jersey Department of Corrections Office of Training program, students will be automatically accepted into the NJ County Colleges Technical Studies Associate in Applied Science program.

Attached to this agreement is the Transfer Course Agreement. The Transfer Course Agreement lists the manner in which the New Jersey Department of Corrections Office of Training program translates into NJ County College equivalent coursework or Technical Studies credits. It should be noted that qualified students in any New Jersey Department of Corrections Office of Training program in New Jersey can complete the degree requirements at any county college in New Jersey thus waiving the residency requirements of each college. NJ State requires that all students pursuing an Associate in Applied Science degree complete a minimum of 21 general education credits. Additional credits from training may be credited toward either the career electives or general education portion of the AAS degree. This credit application will be determined in accordance with the apprenticeship training completed and the degree program pursued. Further, excess credits not applied from the ACE evaluation may be applied to a Bachelors Degree program at a participating baccalaureate institution.

These documents will be revisited annually to reflect curriculum changes by NJ County Colleges and/or curriculum changes of the New Jersey Department of Corrections Office of Training program.

Transfer Course Agreement

NJ County Colleges

Associate in Applied Science in Technical Studies

Courses/Credits for New Jersey Department of Corrections Office of Training

General Education **21 credits**
(Credits must be earned at county colleges or transferred as course equivalents)^{A-} minimum

English Composition I	3
English Composition II	3
Mathematics Elective (generally algebra or higher)	3
Science/Lab (generally biology, chemistry, physics)	3-4
Introduction to Computers	3
Humanities Elective	3
Social Science Elective (psychology/sociology)	3

^{A-} Note: Some County Colleges may have other requirements for graduation, such as Health/Physical Education.

Technical Core **25 credits**
(Credits assigned in recognition of apprenticeship experience—exact components may differ from college to college)

Technical Core can be transcripted as 25 block transfer credits or as specific course or transfer equivalencies based on ACE review, as determined by each community college (see example).

Example Course by Course Listing

TC: Agency Training-Functional Area 13	3
TC: Correctional Security Concepts Functional Area 10	3
TC: Criminal Justice-System Functional Area 2 + Investigations-Functional Area 11 + Law-Functional Area 4	3
TC: Emergency Medical Care	1
TC: Human Relations-Functional Area 3	3
TC: Methods of Instruction	3
TC: Physical Conditioning - Functional Area 12	2
TC: Professional Development Functional Area 1	3
TC: Weaponry and Unarmed Defensive Functional Area 9	4

Career Electives **12 credits**
(Credits must be earned at county colleges or transferred as course equivalents)^{B-}

^{B-} Additional articulated credits the apprentice may earn through completion of the apprenticeship program will vary depending on the apprenticeship program completed by the apprentice and the associate degree the apprentice pursues.

- Course offerings may vary based on curriculum offered at specific NJ County Colleges.

60 credits

- Most county colleges actually require a higher number of General Education requirements. However, if the college's general education requirement is 21, the student would need to make up the missing 2 credits in the Career Electives area in order to reach the minimum of 60 credits for an AAS degree.
